

## Sam the Safety Dog says ...

Sam, the NSC Safety Dog, is here to talk about safety with kids like you! This time, Sam has a special message about playing outside:

**“During fall, it gets dark outside earlier in the evening. If you’re playing outside, make sure to wear bright clothes so people can see you.”**

## Design your own leaves

Fall and leaves go hand in hand. If you could create your own leaves, what colors would they be? Grab your crayons and show us.

## A spooky word search!

Halloween is fun, but you need to stay safe! Don't eat candy until an adult checks it. Bring a glow stick or flashlight if you'll be out at night. And be careful around cars.

OK, now that we know more about Halloween safety, let's do an activity. Find and circle all of the Halloween-related words listed.
