

## Sam the Safety Dog says...

The NSC Safety Dog, Sam, is here to talk about safety with kids like you! This time, Sam has a special message about life jackets:

**“Going on a boat ride?  
Don’t forget to put on a life  
jacket. It’ll help you  
float if you fall  
into the water.”**

## Design your own traffic safety sign

When you see a red stop sign, you know what it means – stop. If you could create your own traffic safety sign, what would it look like? What color would it be? What words or pictures would be on it? Create your own sign below.

**BONUS:** Email a picture of your traffic sign to [FamilySafety&Health@nsc.org](mailto:FamilySafety&Health@nsc.org). We’ll post the signs we receive on [familysafetyhealth.com](http://familysafetyhealth.com) and *FS&H* social media accounts.
