

## It's Sam the Safety Dog!

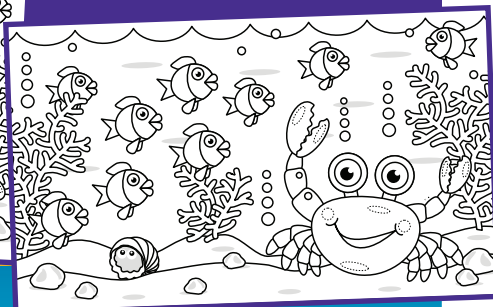

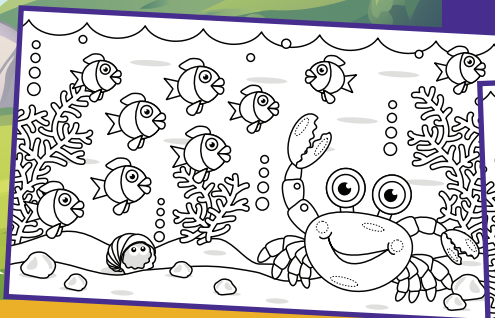

The NSC Safety Dog, Sam, is here to talk about safety with kids like you! This time, Sam has a special message about staying safe from mosquitoes:

**"Before heading outside, ask a trusted adult to spray some insect repellent on your skin. Or do it yourself if you're old enough. This will help keep mosquitoes away."**

**What's different about the two pictures?**

Circle 10 differences.

## Be ready for the beach
