

Sam the Safety Dog says...

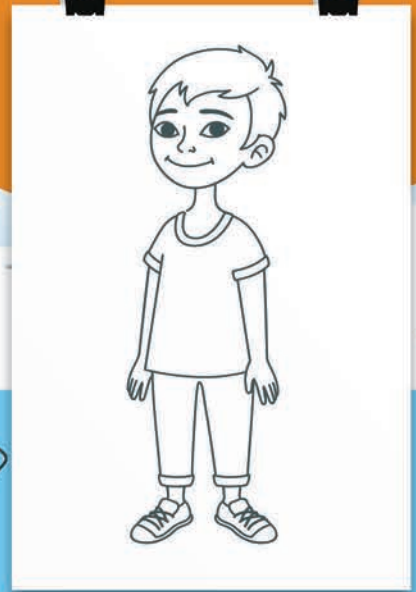

The NSC Safety Dog, Sam, is here to talk about safety with kids like you! This time, Sam has a special message about staying safe and warm outside:

"If you're playing outside and your gloves or mittens get wet, go inside and get a new pair."

Bundle up!

Jimmy wants to go outside and play, but it's cold out! What does he need to put on? Draw the items on Jimmy.

How are you feeling today?

It's good to talk about feelings. Circle the face that matches your mood. Then, if you're comfortable sharing, show it to a parent or someone you trust.
